SUMMARY

Experienced Software Engineer with hands-on expertise in Java, Spring Boot, and full-stack development. Skilled in building scalable applications, developing REST APIs, and optimizing database performance. Strong understanding of secure application design using JWT and JWE, with a proven track record of delivering reliable software solutions in agile environments.

EXPERIENCE

Project Engineer | C-DAC

Nov 2022 – Present

Application Development & Delivery

Noida, India

- Designed, developed, and maintained enterprise-level applications using Java, Spring MVC, Hibernate, MySQL, and JavaScript.
- Actively participated in the full software development lifecycle including requirement gathering, development, testing, and deployment.
- Developed user-friendly interfaces, improving overall user experience and satisfaction

API Development & Integration

- Built and deployed REST APIs to support scalable application features and integrations..
- Integrated WhatsApp services with web applications to enable automated communication workflows.
- Designed APIs for projects like NPPA, enhancing flexibility and system scalability.

Database Optimization & Performance

- Created efficient native SQL, named queries, and HQL queries to optimize database operations.
- Improved application performance and reduced bugs through code optimization and refactoring.

Security & Compliance

- Implemented secure data transmission using JWT and JWE protocols..
- Ensured data protection and controlled access for sensitive information across applications.

PROJECTS

SAIL Rourkela-SLCMS | AIIMS-SLCMS | DMER SLCMS

- Developed and maintained scalable web applications using Java, Spring MVC, Hibernate, JSP, and PL/SQL.
- Implemented secure authentication and API-based integrations.

NPPA (IPDMS)

- Designed robust APIs and backend systems using Java and PostgreSQL
- Improved application stability, scalability, and maintainability.

TECHNICAL SKILLS

Languages: Java, PLSQL, JavaScript | **Framework & Tools:** Spring MVC, Spring Boot, Hibernate, JPA | **Web Technologies:** HTML-5, CSS, ReactJS | **Databases:** MySQL, PostgreSQL | **DevOps & Tools:** SVN, GitHub, Docker | **Security:** JWT, JWE | **Operating Systems:** RHEL, Windows

EDUCATION

CDAC Noida

2022

Post Graduate Diploma in Advanced Computing

Noida, U P

RTM Nagpur University, Nagpur

2021

Bachelor of Electronics & Telecommunications Engineering

Nagpur, Maharashtra

CERTIFICATES

- Red Hat Certified System Administrator (RHCSA) – Unisoft Technology
- Training Certificate – Nidik Webcon Pvt. Ltd.
